Region III Mission Statement

An enthusiastic region of
churches working in unity to
exalt the name of Jesus through
the challenges of Christian
Education, encouraging life-long
holy living via a personal
relationship with Jesus Christ.

International Association of the Pentecostal Assemblies of the World, Inc.
Region III ICEA Convention

Empowering God's People: Building God's Kingdom through Christian Education in
the Challenging and Changing 21st Century

Living Holy, Living Healthy: Ministering to the Whole Person

MAY 27-28, 2011

Greetings Region III Delegates and ICEA Officers !!!

Welcome to the
Pentecostal Assemblies
of the World, Inc. Region
III Christian Education
Association Convention!

Praise The Lord Region
III Delegates!!!

Welcome each of you to
the Region III conven-
tion! "One more time, one
more time the Lord has
allowed us to gather one
more time!" I pray that all
has been well with you
and yours! I am sure that
you have also been busy,
as I have, working to
bless the body of Christ.
Christian Education is still
the most natural place for
learning and training to
take place.

This is a time of learning,
growing and fellowship.
We have made every
effort to represent all of
the Region III Christian
Education auxiliaries in
the making of this
program. We are striving
to provide you with
innovative, creative,
intellectually challenging
and/or controversial ide-
as. You can choose a
learning track and follow it
through or change tracks
based on your learning
needs. The main theme
for our convention is the
same as the national
theme, "Empowering
God's People: Building
God's Kingdom through
Christian Education in the
Challenging and
Changing 21st Century."
The sub-theme is "Living
Holy, Living Healthy" and
our seminars will address
ministering to the whole
person.

As you may already
know, Florida's council is
the host for the 2011 PAW

convention — there is
much work yet to be done,
so please consider
volunteering to serve
during the convention.
There is always a need for
volunteers. We want to be
a region that is known for
working and blessing
others, so please carve
time out of your schedule
during the convention to
serve the body.

I am excited to meet with
you again and to serve
you. I also am thankful for
the faithfulness and
dedication of the Region III
officers, and to our host
district superintendent
Evangelist Terry Gordon,
who has put much time
and effort in planning and
working for this Region III
convention. I pray His
continual blessings on
Region III. Finally, I say
unto you, be encouraged
and stay excited as you
serve God's people.

Your Servant in Christ,
Dr. Theresa H. Foster

Region III Goals...

* To increase regional meeting attendance among bishops, pastors, CEA leaders, staff and lay members.

* To continue providing seminars of interest to support pastors and church administrators in their God given mission.

* To motivate all church members to attend

regional meetings, providing programs for everyone.

* To stabilize attendance in order that all regional meetings and activities can be hosted at a hotel facility for your convenience.

* To enhance training programs for establishing effective CEA 's that

meets the needs of 21st century society

* To introduce programs and activities that will help build and enhance local CEA and assemblies.

* To present current controversial issues that are facing our youth and society, in terms of how they relate to the 21st Century Church.

Region III Awards...

Three awards are presented at each regional conference as follows:

1. To the “**visiting council** with the highest

number of registered delegates.

2. To the “**church within the host council**” with the highest number of registered delegates.

3. To the “**council with the highest number of first time registered**” delegates.

Make sure you are registered!

Region III Victory Song...

**Sung to the tune of
“This is the Day”**

Were Region III,
Were Region III,

Claiming Victory,
Claiming Victory

Spreading the Word,
Spreading the Word,

That we have Heard,
That we have heard

ICEA Officers and Regional Officers' Meeting

Saturday, 8:00 am - 8:30 am

Fruits and Vegetables

Eating 5-6 servings of fruits and vegetables daily will increase your vitamins, minerals, and fiber intake and may help protect you from chronic diseases.

Water

It is water, in every form and every scale, which saturates the mind. So get 64 ounces of water in daily.

Proteins

Although proteins are often associated with strength and muscle power, this is only partially true; although an essential component of muscles, proteins play all sorts of roles in maintaining our health and functionality.

Daily Meals

When eating meals through out the day your body is being fueled. The norm has been 3 times a day but doctors and nutritionists nowadays say its better to eat 5 or 6 small meals (snacks even) rather than 3 large ones.

Exercise

Evidence suggests that even low- to moderate-intensity can have both short- and long-term benefits. If done 30 minutes daily, they help lower your risk of heart disease.
